Dear [Redacted]

After receipt of your note of 17 August 1961, I discussed with [Redacted] his conversation with [Redacted] with regard to the availability of aerial photographic materials on foreign facilities comparable to yours. Since we are dependent on others, primarily the USAF, for our source of photographic coverage I suggest the simplest and most direct approach would be for you to take this matter up with [Redacted] who I understand is attached to your company. This approach would be the best for all concerned and will probably yield effective results.

Again, I would like to express my appreciation for your most generous cooperation.
